ABSTRACT

This is a national resource directory of individuals involved in Asian and Pacific American research and education. The compilation lists individuals alphabetically and provides information on each person's education, current employment or affiliation, and research interests. An index allows the user to locate the scholars by research discipline, region of specialization, and ethnic or racial background. (MJL)

PREFACE

The purpose of this directory is to enhance communication among individuals interested in the educational problems facing Asian and Pacific Americans. It is a compilation of individuals of diverse ethnic and educational backgrounds.

While information such as that provided in the directory becomes quickly outdated, we hope that the directory will prove useful nonetheless.
